An array of resources at your fingertips

Complete School Support is a vast collection of material that can help your school improve all aspects of:

- leadership and management
- curriculum delivery
- staff development.

Made up of hundreds of separate publications, *Complete School Support* contains material for use by all staff, including those in support roles, and by pupils.

Simple to use

You can:

- use the material from the *Complete School Support* interface, or directly from the disc
- print out activities on demand
- store material on a school network or on stand-alone machines
- copy and paste material to make your own version
- display the material on an interactive whiteboard
- give pupils their own copy of curriculum materials.

Annual subscription

Complete School Support is sold with a full site licence for use in your institution for the length of the subscription period*. To order your copy, simply complete and return the form below.

*The subscription period is normally from September to August.
